New Football Focus website: Same FOCUS new look FOOTBALL!

Football Focus is delighted to announce the launch of it's new website.

The new site has a modern fresh feel and easy to navigate pages essential for busy families.

Exciting new features include simple online registration and a 'what's on now' page where you can keep up to date with all the programs on offer and available soccer academy places.

To celebrate the launch of the new site Football Focus is offering 20 players a FREE place to next week's holiday program. 20 players will win one day (9am – 3pm) of skills coaching and development with our professional coaches, valued at \$40.

Places will be offered strictly on a first come first served basis for players of all abilities, boys and girls, aged 8-16, at either Annesley College or Prince Alfred College. Football Focus operates a strict player to coach ratio, which determines availability on certain days.

The superb campuses at both venues offer indoor and outdoor facilities in case inclement weather is forecast.

For your chance to win one of these places simply log onto the new Football Focus website www.footballfocus.com.au and tell us what you think of the new look site via the contact us page. Don't forget to nominate your preferred coaching day: 13, 14, 15, 16 or 17 July 2009.

Football Focus hopes you enjoy navigating the new site and looks forward to bringing you more exciting news plus the introduction of new programs in the coming months.
